The Institution of Occupational Safety and Health (IOSH) is the world's largest professional body for safety and health, and the only one with Chartered status.

We've been around since 1945, and today we're a registered charity with international NGO status. That means we're in a unique position to lead the way: shaping policy, championing positive change, and standing up for everyone's right to a safe and healthy workplace.

With a global community of 50,000 members, spread across 130 countries, together, we share one vision: a world where work is safe and healthy for all.

Through the work of our members, and our qualifications and training, we provide the skills, knowledge, and expertise needed to keep people and workplaces safe - and businesses and economies thriving.
